

NORTHWEST MARITIME CENTER

DO'S & DON'TS PARKING GUIDELINES

Because parking in the historic downtown is limited and we want to be a good neighbor and leader in sustainable living and making Port Townsend a walkable community, special DO's & DON'Ts apply.

- ★ Please consider walking, biking, boating, or taking the bus to the Center—drive and park your car as a last resort.
- ★ If you must drive, please try to carpool.
- ★ If you plan to be at the Center more than two hours, please do not park on Water Street in front of the NW Maritime Center facilities. Please save these areas for short-term users and shoppers to the Center.
- ★ Please park in designated 2-hour or more hour parking areas (see map on back).
- ★ Do not park in unauthorized spaces (car pool, electric car, 15-minute unloading, or handicapped spaces or area in front of boat livery)
- ★ Do not park in the Salmon Club parking area (see map on back). Unauthorized cars will be towed.
- ★ Please be a good neighbor. Do not park on private lots. Please be quiet before 9am and after 8pm if you come to or exit our facilities. Guests may be sleeping in the cottages at the Swan Hotel across the street.

**I HAVE READ AND AGREE TO ABIDE TO THE PARKING GUIDELINES OF THE
NW MARITIME CENTER.**
